

Transforming Nursing

The Future of Health Care

Randee Lee Hickey

Director of Clinical Operations

Our Brand

Dedicated to making Connecticut a healthier place to live and work since 1981

- **Our Promise-** creating healthier futures for our customers and communities
- **Our Purpose-** we make it easy for our members to get the care they need

Creating Healthier Futures for Our Customers

Our priority is to improve health outcomes

- Identify gaps in care and needed support
- Coordinate and provide care that is safe, timely, effective, and efficient
- Support and enable members to manage their physical, environmental, and psycho-social concerns

150 Nurses supporting our members

40 Clinical roles supporting members and providers
