

**Lisa Rebeschi, PhD, MSN, RN, CNE**  
**Senior Associate Dean and Professor**  
**Quinnipiac University School of Nursing**

Lisa Rebeschi, PhD, MSN, RN, CNE serves as Senior Associate Dean and Professor in the School of Nursing at Quinnipiac University. Previous to her role at Quinnipiac, she was the Chairperson and Chief Nurse Administrator at Southern Connecticut State University. Dr. Rebeschi's teaching experience includes didactic and practicum courses at the baccalaureate, masters, and doctoral level.

Dr. Rebeschi is credentialed by the National League for Nursing (NLN) as a Certified Nurse Educator (CNE). She serves as an accreditation site visitor for the Commission of Collegiate Nursing Education (CCNE). Her areas of research and scholarship include curriculum development and evaluation, patient safety competency, and the use and impact of educational technologies. Dr. Rebeschi is a member of the Editorial Board of Sage Open Nursing.

Lisa previously served as President of the Connecticut League for Nursing (CLN) and currently serves as the Vice Chair of the Board of Directors for the Connecticut Center for Nursing Workforce (CCNW).
